

Rotaract Club of Himalayan Golfers

Project Portfolio

Generated: October 19, 2026

1. Digital Literacy

Category: Service

Status: The Rotaract Club of Himalayan Golfers launched a Digital Literacy Pilot Project to empower children through technology and education. The initiative began with an orphanage assessment visit to understand their needs, followed by the launch of a digital literacy curriculum. The club contributed computers, officially inaugurated the project, and started hands-on computer training for the children. Alongside promoting digital skills, the project also included food distribution, reflecting our commitment to supporting both education and well-being while creating a lasting impact in the community.

The Digital Literacy Pilot Project

2. Together for Rasuwa - Flood Relief Support

Category: Service

Status: A joint effort by Rotary Club of Himalayan Golfers, Rotary Club of Bagmati Kathmandu, and Inner Wheel Club of Bagmati, in collaboration with Rotaract Club of Himalayan Golfers. Together, we successfully completed a donation drive to support families affected by the recent floods in Rasuwa. This initiative brought together different clubs and communities with a shared purpose of providing relief and support to those affected by the floods. Through collective contributions and collaboration, essential support was provided to families in need.

A joint effort to support families affected by the recent floods in Rasuwa through a community-led donation drive.

3. Digital Literacy Pilot Program: Phase I Completion & Outcomes Survey

Category: Service

Status: Assessing learning outcomes and measuring the impact of Phase I of the Digital Literacy Pilot Program.

The completion of Phase I of the Digital Literacy Pilot Program, evaluating learning outcomes, participant progress, and the project's impact through assessments and feedback.

4. Computer Installation & Project Inauguration

Category: Service

Status: Establishing the foundation for digital education through computer installation and project inauguration.

A milestone of the Digital Literacy Pilot Program featuring computer installation, curriculum launch, and project inauguration to create a sustainable digital learning environment for children.

5. Digital Literacy Pilot Program: Project Commencement & Needs Assessment

Category: Service

Status: Empowering children with essential digital skills through practical learning and technology education.

A community digital literacy initiative empowering children with essential technology skills through structured learning, practical training, and digital inclusion to prepare them for future educational opportunities.

6. Proud Sikchya

Category: Service

Status: Proud Sikchya was a two-day community education and empowerment project organized by the Rotaract Club of Himalayan Golfers to promote learning, awareness, and personal development among women. Held on July 25th, 2025, in Bhangal, Kathmandu, the initiative brought together more than 40 participants for interactive sessions focused on practical knowledge, confidence building, and community engagement. Through engaging discussions and collaborative activities, participants gained valuable insights while building meaningful connections with one another. The project was conducted in collaboration with the Leo Club of Classic Imperial and the Leo Club of Kathmandu Imperial, reflecting a shared commitment to education, women's empowerment, and creating a positive social impact within the community.

A two-day education and awareness project that empowered women through learning, skill sharing, and interactive sessions while promoting confidence, personal growth, and community collaboration.
